Your programme

British Innovation & Heritage

Day 1 · A London welcome

Settle into Wellington following your arranged airport transfer. Introductions and a welcome dinner provide a relaxed setting to meet fellow guests and look ahead to the programme.

Day 2 · King's, innovation and enterprise

Explore the Strand and Aldwych around King's College London's Bush House, home to its Entrepreneurship Institute. An independently facilitated discussion considers enterprise and innovation; attendance at a suitable public Institute event may be explored when available.

Day 3 · Spencer House and enduring vision

A proposed private tour of Spencer House opens a window onto exceptional British architecture, art and patronage. Time in St James's invites conversation about heritage, leadership and the value of a lasting legacy.

Day 4 · The architecture of Freemasons' Hall

Discover Freemasons' Hall on a proposed guided visit, exploring its architectural ambition and history. Your heritage guide places the building within the wider story of London and its institutions.

Day 5 · Ideas brought together

Heritage walks and working lunches create space to exchange perspectives and reflect on the week. A farewell dinner offers a considered close to the programme and the conversations it has inspired.

Day 6 · A seamless departure

Your concierge coordinates check-out and your airport transfer, allowing you to depart with the practical details taken care of.
